TO ALL COMPETITORS:

The organizers hereby issue the following information as amendments and/or additions to the various regulations in place for the event “Sol Rally Barbados” and its precursor, “First Citizens King of the Hill”. Competitors are advised that this bulletin will be available on the event website www.rallybarbados.net as well as on the Sportity App.

1. First Citizens Change of Route

Due to an unforeseen situation that we have now resolved, the organizers have applied for and received permission to change the location of the SSA, Stage Start and Route to Vaucluse Raceway for First Citizens King of The Hill.

In addition, for safety reasons, there will now be a chicane placed at the cross roads to the west of Dukes Plantation.

This chicane will be a two barrier chicane. It will be LEFT entry.

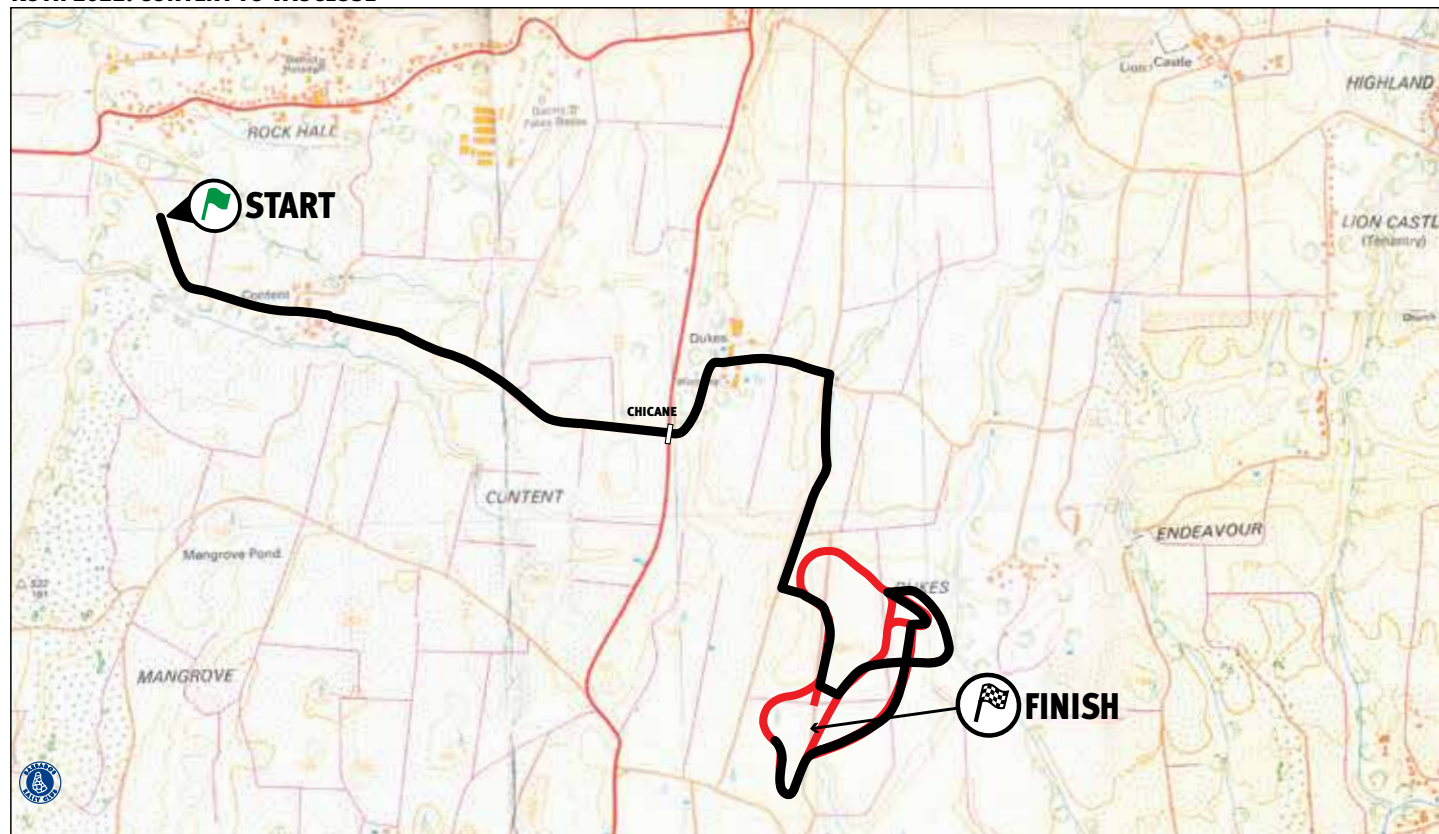

Please note that the change of route only affects the first half of the stage and there is no change to the route within Vaucluse Raceway.

See new stage map on next page.

Replacement route pages have been printed and these will be available for collection along with your Rally Bag containing Road Book, Time Cards etc. from the rally office at Bushy Park. In addition, a revised digital version of the Road Book is available for download from rallybarbados.net.
