

BULLETIN 2

ISSUED - 1 June 2023

11.00AM

TO ALL COMPETITORS:

The organizers hereby issue the following information as amendments and/or additions to the various regulations in place for the event “Sol Rally Barbados” and its precursor, “First Citizens King of the Hill”. Competitors are advised that this bulletin will be available on the Sportity App and on the Rally Barbados website.

1. Change of Finish Location for King of The Hill

Due to circumstances beyond our control, the finish and prizegiving for First Citizens King of The Hill has been changed from Bath Beach to Bushy Park. After the completion of Run 4, competitors are asked to follow the route as set out in the Road Book, returning to Bushy Park and entering the circuit through Gate 2 turning immediately left into the area previously utilised for the Rally Show at Bushy Park where a prizegiving ceremony will take place.

2. Change of the location for the chicane at King of The Hill

The location of the chicane at King of The Hill has been altered. In the Road Book on page 11, box 4, the chicane has been moved by 0.3 of a kilometre closer to the junction at Society Plantation so that it is now 0.9 km from the previous instruction. It was previously positioned 0.6 km from the previous instruction. The new location has been marked on the road with spray paint. The organisers will be placing a Chicane Warning Board 100 metres prior to the first chicane barrier.

3. Amendment to SRs

Item 10.5 should read:

“Pace Noting of Bushy Park Raceway for the final stage of Sol Rally Barbados will take part during the week preceding the event. Further instructions will be issued detailing the times allotted to these pace noting sessions.”
