The organisers reserve the right to adjust the maximum entry per category and the overall maximum entry if in their opinion it will not negatively affect the efficient running of the event.

**Competitors who have not paid their entry in full by the advertised deadline of 19th April 2024 (11.59PM), will have their entry withdrawn.**

### **Withdrawal of entries:**

Competitors who have to withdraw after the close of entries but before May 24th, 2024 shall be refunded the total fees paid, less \$150.00

Withdrawal after the published start time of the First Citizens King of the Hill will forfeit the entire fee.

If a competitor is unable to start King of the Hill, they will be refunded \$40.00 and if they are unable to start Rally Barbados, they will be refunded \$300.00. This represents the insurance amount for each event.

All entries made within the deadline will be received once they are complete; however this does not guarantee participation in the rally until the entry is accepted by the organisers.

Following payment of all fees and completion of all prerequisite requirements, accepted entries will be added to the official Starter's List which will be published prior to the briefing meeting. Should any accepted entrant not make this list, for example where the relevant nationality-based quota is subscribed, then they will be "wait-listed" in the order their entry was received. This wait list will be in effect until the last car leaves the start line, such that any competitor who fails to start will be replaced with a wait-listed competitor.

Entry fees will also be refunded in total;

- a. To any entrant whose application is refused.
- b. To any wait-listed competitor who cannot start the rally through oversubscription.

Entries with unpaid fees will be moved to the standby entry list until such time as they are complete, or Rally Barbados or the First Citizens King of the Hill event is fully subscribed.
