

Sol Rally Barbados and FLOW King of the Hill

RALLY BARBADOS SR's

BULLETIN #6

Issued: 30th October 2020 – 10:00am

TO ALL COMPETITORS:

The organizers hereby issue the following information as amendments and/or additions to the various regulations in place for the event “Sol Rally Barbados” and its precursor, “FLOW King of the Hill”. Competitors are advised that this bulletin will be available on the event website www.rallybarbados.net as well as in printed form on request at the Rally Office.

All amendments are highlighted in red within the “replacement” information provided below.

1. Main Service at Greenland

Due to weather conditions and usable areas, the service area at Greenland has been expanded to include the Conrad Hunte Sports Facility.

2. Additional Remote Service at Indian Ground

An additional remote service area at the Indian Ground Playing Field (Instruction 11 on Page 64, 74 & 84), has been added along with the previously planned one at Welchtown.

There will therefore now be two remote service areas immediately following the Mt. Brevitor to Four Hills stage.

3. Road Book Correction

Instruction 6 on Page 60, 70 & 80 of the Road Book indicates a ‘right side entry’ Chicane on the Bawdens to Rock Hall stage.

The diagram is incorrect as the Chicane will be ‘left side entry’.

4. Revised Route to SSA and Start for Haggats to Spring Vale stage

Please see below map showing the revised route to the start of the Haggats to Spring Vale stage.

5. Revised Finish Protocol for SS19

Please see below map showing the revised finish protocol for SS19.

6. Blue Bands for Vaocluse Raceway

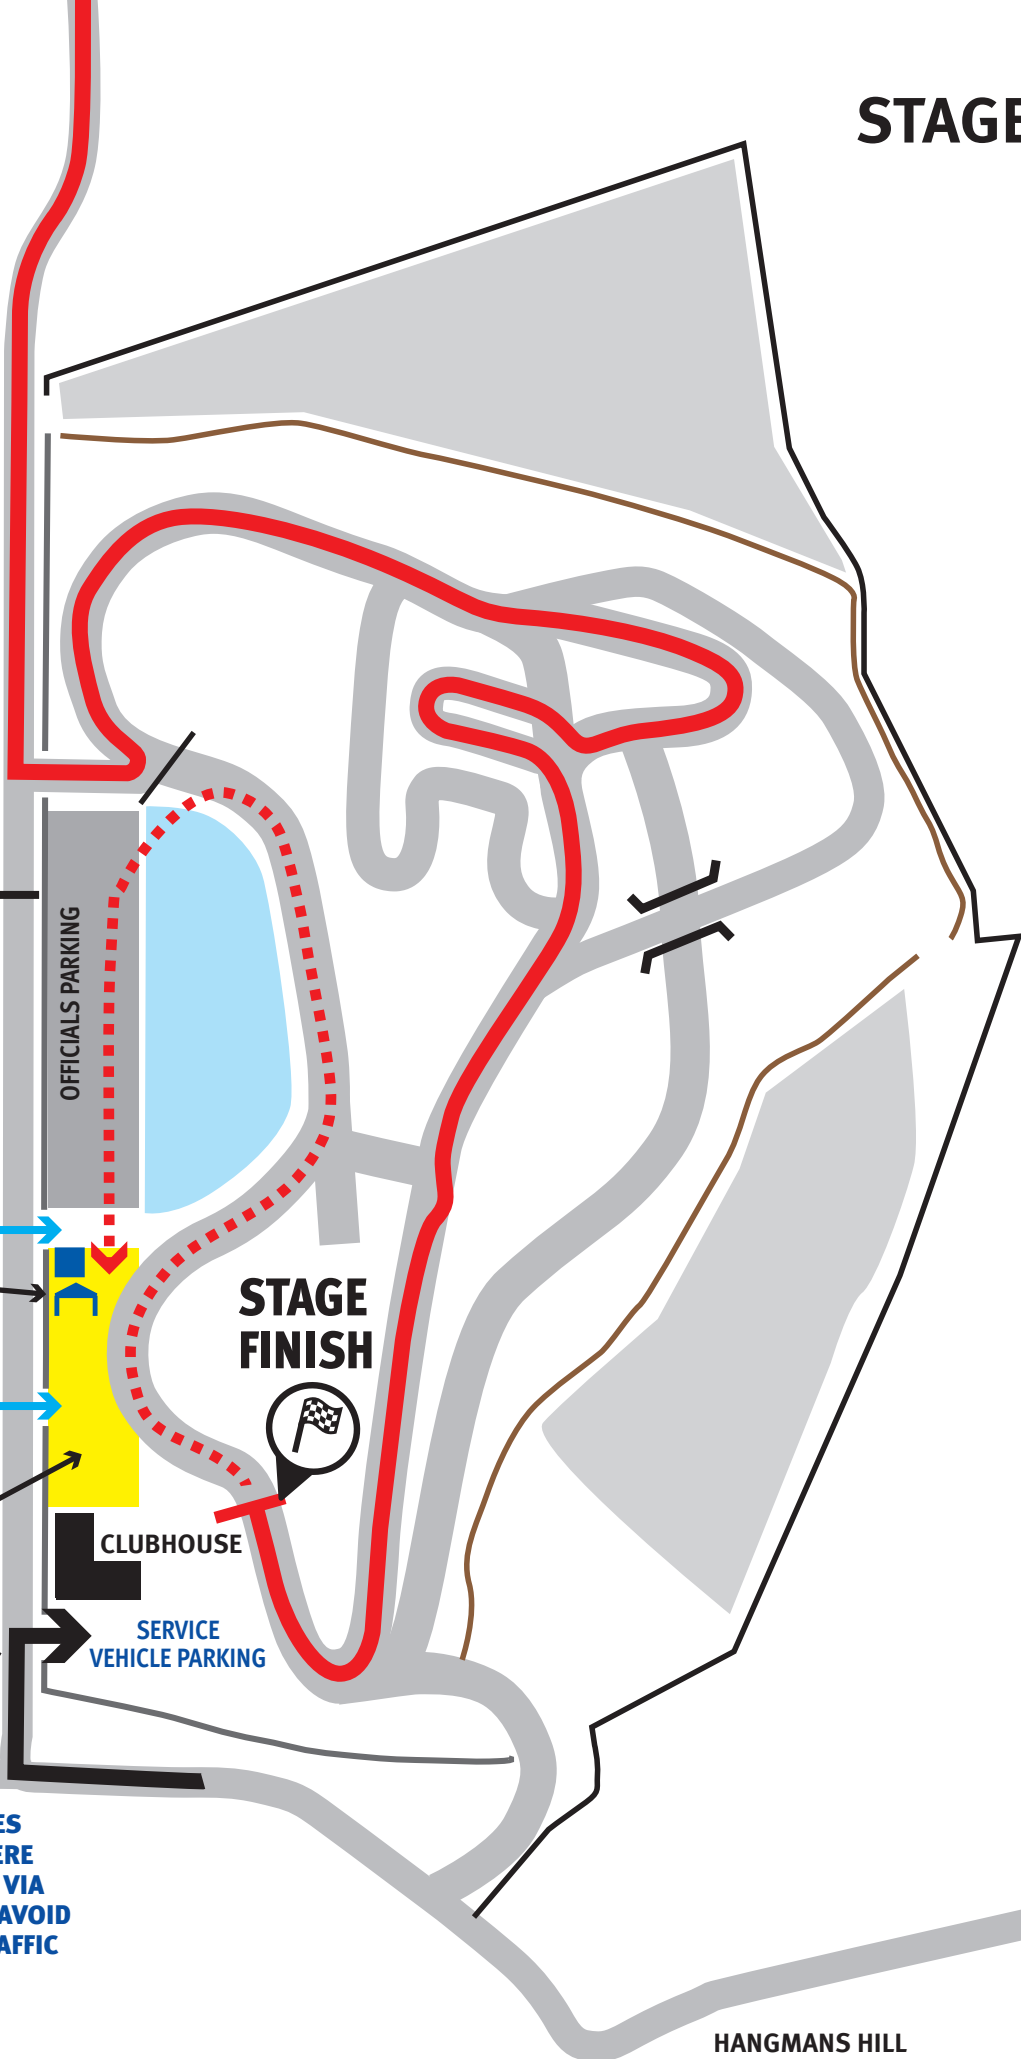

The Blue Bands supplied in the competitor's envelopes are for entry to the finish of SS19 at Vaocluse Raceway and are to be worn by competitors and crew.

7. Rally Control Number

Rally Control number for both days of the event will be (246) 235-8530.
