Competitors should refer to SR Item 24, nos 1-6 for additional details on the running of the event.

### **3. Flow King of the Hill – Chicane**

The organizers will be placing a '3-barrier' chicane consisting of hay bales towards the end of the Thicket's straight, starting approximately 250 meters before the apex of the corner at the bottom of Stewart's Hill.

Although omitted in error from the tulip instructions, it has been noted on the stage map and markings on the stage.
